

Entry Procedures

Please read our regulations carefully.

A. Submission using the online entry form

B. Submission using the printed entry form or the PDF entry form

Formats acceptable for selection purposes

- **Online streaming**
Please upload your work on online streaming services such as YouTube or Vimeo, and specify the URL in your entry form.
 - **Digital data** MOV (H.264, Animation, ProRes 422, ProRes 4444), AVI (uncompressed), MP4 (H.264)
Please save digital data on a USB memory or HDD with USB connection, and send it to our Festival Office together with the entry form. Please specify the title of the work on the USB memory or the HDD.
 - **Film** 35mm or 16mm
Please send each film print in a canister, inside an adequate shipping container together with the entry form.
- ※ Please see our regulations, IV-B, for more details.
 ※ DCP data files are not acceptable for selection purposes.
 ※ Digital data files can not be submitted online.
 ※ The Festival does not accept DVD-Video, DVD-Data, Blu-ray Disc-Video or Blu-ray Disc-Data.

Filling out the online entry form

- Please fill out the online entry form.
- ※ The online entry form will be available on our website during the submission period (from February 1st to April 1st, 2018).

Uploading related materials

- Please upload one still of each work (JPEG 300 dpi) and one director's photograph (JPEG 300 dpi) according to the instructions.
- For the work with narration or dialogue, please upload the script in PDF according to the instructions.
- ※ Please see our regulations, IV-A-1, for more details.

Filling out the entry form

Please fill out the printed entry form or downloaded PDF entry form. As for the PDF entry form, please make sure to print it out on 2 pages, A4 size and portrait. Please sign the form by hand.

Preparation of related materials

- Please prepare one still of each work (JPEG 300 dpi or printed) and one director's photograph (JPEG 300 dpi or printed).
- For the work with narration or dialogue, please prepare the script in PDF file or printed.
- If your materials are digital data, please save them on a USB memory or on a HDD with USB connection.
- ※ Please see our regulations, IV-A-2, for more details.

In case of submitting by online streaming format

In case of submitting by formats other than online streaming (Digital data or film)

In case of submitting by online streaming format

In case of submitting by formats other than online streaming (Digital data or film)
